Part B. for

SUBJECT.
Travelling allowance bill of the Plague Clerk of
the Kol District for September 1903 for journey
performed to Mysore and the Government decision thereon
that the Senior Surgeon is only the Chief advisor to Government
in matters connected with Plague and not the Executive
Head of the Plague Administration.

5. (P.S.A. 1754) Pg 1021/2773-1904 From The Comptroller.
Represents that the Senior Surgeon as the head of the Plague Department in Mysore has power under Article 537 of the M.S. Regls to sanction the journey made by the clerk beyond the Kolar District but within the province of Mysore and whether this cancels the provisions of Article 537 or the amendment article 51 of the M.S. Regls.

F & A 4/30-6-1904 To The Comptroller.

3003

Makes the observation that the Comptroller's view is not correct as the Senior Surgeon was appointed as the Chief advisor to Govt in matters connected with Plague Preventive measures under Govt Pro: No. 2497-506 D/ 20th August 1902, but not as the Executive Head of the Plague Administration in Mysore. So the order in serial 4 does not cancel the provisions of articles 537 or 51 of the M.S. Regulations.

SUBJECT MATTER.

Representing that *Senior*
Sergeant has power under Art.
587 of M.S.R. to sanction the
journey made by the clerk
beyond the *Violar Sh.*, but within
the Province of *Ceylon*.

Article 537 of the Mysore Service Regulations to sanction the journey beyond the Holar District, but within the Province of Mysore. This is evident from the Addenda and Corrigenda to the article approved of by Government also in the P & A Branch on the 12th Instant. (Vide. no. 2664).

2. I shall therefore be obliged by your obtaining the orders of Government as to whether the rule contained in the Government order quoted above cancels that contained in the Addenda and Corrigenda sanctioned the previous day.

I have the honor to be,
Sir,
Your most Obedient Servant,

Hy Eagles
